2007 FIRST Robotics

PALIMETTO REGIONAL

March 29-31, 2007 Colonial Center Columbia

Don't miss seeing South Carolina's high school robotics teams take on teams from across the country in a metal to metal clash at the Colonial Center, March 29-31.

Get the details on the game challenge, who will be competing, and how you can get involved at **palmettorobotics.org**.

Palmetto Regional—It's loud, it's fast, and only the best survive!
